TIE-fighter

Gemaakt in Blender. Dit is gemaakt met de box-modelling techniek. Hiervoor heb ik geen directe kopie gemaakt van de bestaande versie van de TIE-fighter. De originele versie heeft nog veel meer detail op de vleugels en cockpit. Ik heb het vrij eenvoudig gehouden, dit was eerder een oefening om...

Mazda

Mazda, gemaakt in 3D Studio Max. Techniek: Point to point modelling. Blueprints opgezocht op het internet en vanuit een plane beginnen modellen. Stickers op de auto waren een test van materials om te zien hoe decals enzovoort zouden functioneren op een high poly auto.

Portfolio artikel

The screenshot shows a web browser window with the URL `dev-cmp3eo.pantheonsite.io/article/neque-porro-quisquam-est-qui-dolorem`. The page is a Drupal 7 article page. The header includes a navigation menu with links like Dashboard, Content, Structure, Appearance, People, Modules, Configuration, Reports, and Help. The user is logged in as 'briaalbr'.

The article content shows a comment tab with the text 'Tab en comment' and a permalink. Below this, there is a section for 'Add new comment' with the user's name 'briaalbr'.

The comment form includes a 'Subject' field and a 'Comment *' text area. The text area is a rich text editor with a toolbar. The toolbar contains several icons, and three of them are highlighted with red boxes:

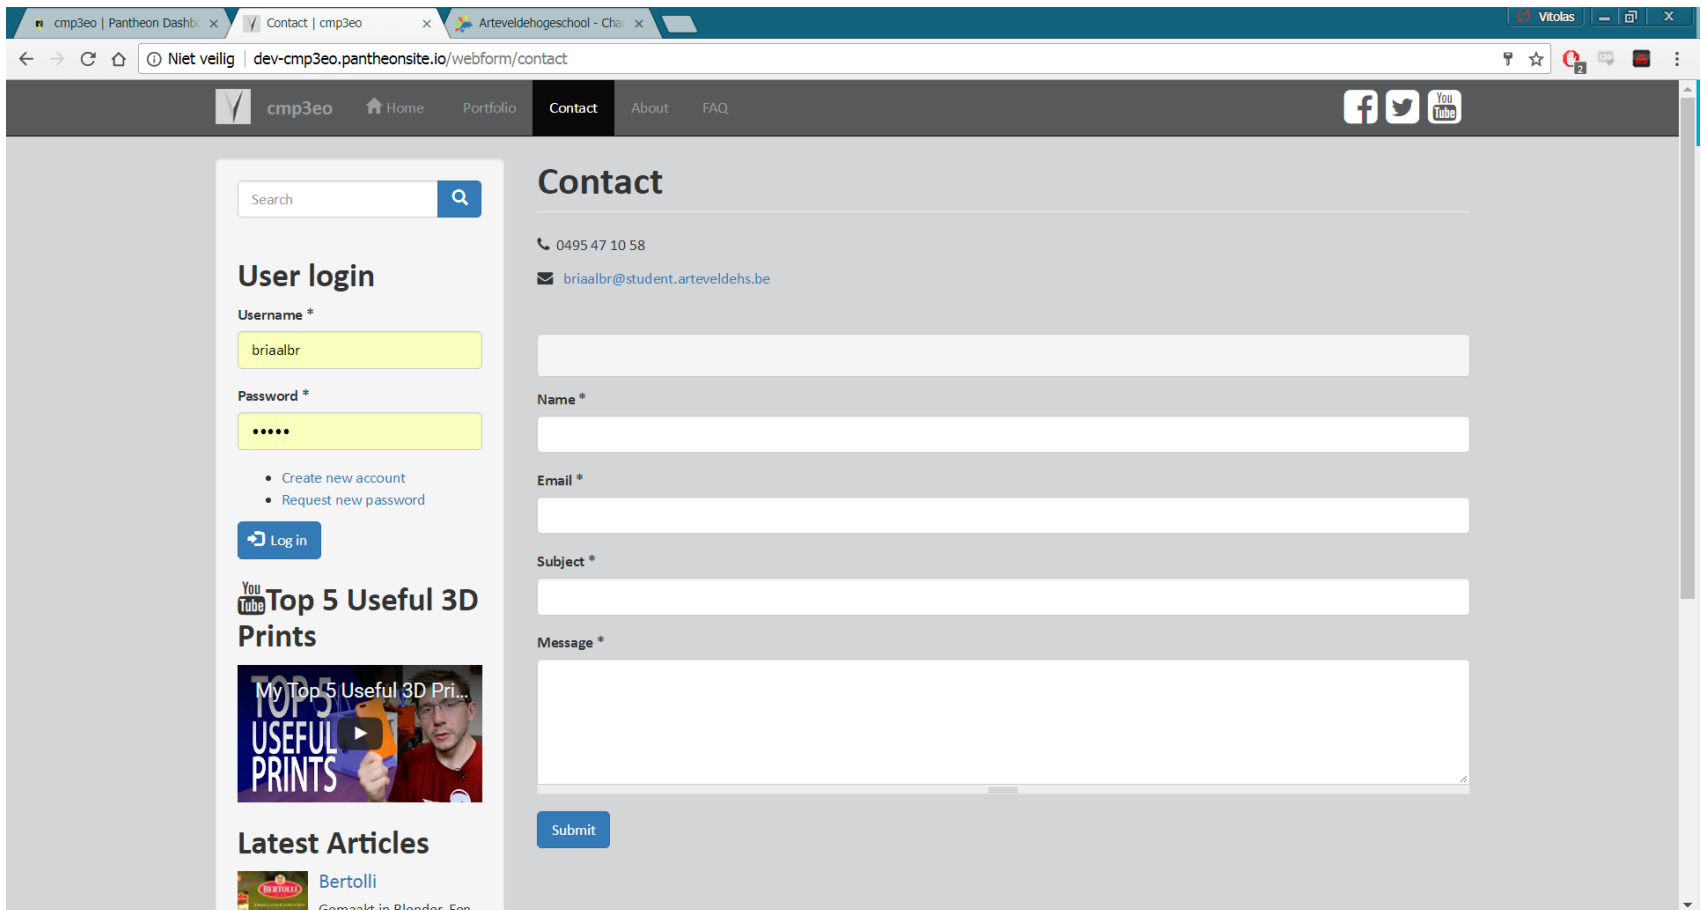

- The first red box highlights the 'Image' icon (a picture of a landscape).
- The second red box highlights the 'Table' icon (a grid of cells).
- The third red box highlights the 'List' icon (a bulleted list).

Below the text area, there is a 'Switch to plain text editor' link and a dropdown menu set to 'Full HTML'. At the bottom of the form, there are 'Save' and 'Preview' buttons.

Portfolio artikel (user)

A screenshot of a web browser window displaying a comment form on a website. The browser's address bar shows the URL "dev-cmp3eo.pantheonsite.io/article/neque-porro-quisquam-est-quid-dolorum". The page content includes a permalink notice, a message about commenting, and a large heading "Add new comment". Below this, there are input fields for "Your name" (containing "user1") and "Subject". A rich text editor labeled "Comment *" follows, featuring various icons for text formatting (bold, italic, underline, strikethrough), alignment, bulleted and numbered lists, links, and media insertion. The editor's body contains the text "body p". At the bottom of the form, there is a dropdown menu set to "Filtered HTML", a link to "More information about text formats", and two buttons: a green "Save" button and a grey "Preview" button.

About

View Edit Manage display Devel

Mijn naam is Brian Albrecht. Geboren te Gent op 17/03/1992.

Ik studeer momenteel Multimediaproductie aan de [Arteveldehogeschool Campus Mariakerke](#) met specialisatie proDUCE.

In mijn jaren op de hogeschool heb ik kennis op gedaan van enkele softwarepakketten:

- Blender
- 3D Studio Max
- Adobe Photoshop, Illustrator
- Adobe InDesign
- Adobe Premier, After Effects
- Cinema 4D
- PHPStorm
